

THE FAMILIES AT "FOXWARREN LOFTS"

Our small successful team of pigeons is made up with the very best long distance bloodlines of Eric Cannon and Brian Denney. Stock bird write ups can be viewed below and photos in the website 'ALBUM'. The problem with our small set up is we can't keep all the youngsters we breed, so we are offering the fancy a limited number of our 2019 young birds from **£100 each** plus carriage.

LATEST NEWS UPDATES (JANUARY 2019)

Main achievements breeding winners for others

'Foxwarren Lofts' have a wonderful record of breeding countless top class winners for themselves and other fanciers over many years. The Keith and Betty Mott loft in Claygate has gifted a lot of youngsters to their friends and charity auctions over the years, and in the 2013 season their birds produced several premier prize winners including 1st open Combine, 1st open Amalgamation, 1st Federation (twice), and 2nd Federation (twice) in that season. The loft has recently produced 1st open Combine two years on the trot and their birds have also produced 1st open Amalgamation Bourges (581 miles) two years on the trot.

2008: One of Brian Denney's greatest champions was 'Brian's Blue', winner in 2008 of 1st section K, 61st open NFC Tarbes Grand National (4,035 birds), NFC record holder being clocked at 748 miles on the day of liberation. He also won 1st North East 700 Mile Club, 1st RPRA UK Long Distance Champion, plus RPRA Region Long Distance Award. A fantastic performance! The dam of Champion 'Brian's Blue' was 'Foxwarren Pretender' bred by Keith & Betty Mott at 'Foxwarren Lofts' and she flew the English Channel twice as a young bird, recording 4th club Guernsey and then as a yearling flew Bergerac (455 miles) on the day of liberation to win 151st open L&SECC. 'Pretender's' nest sister, 'Betty M', was gifted to Brian Denney out of the nest and she bred several top performers for the Strensall loft including: 'Elton' winner of 30th, 182nd open NFC Tarbes (748 miles) and 'Class Blue' winner of 2nd section K NFC Fougères. 'Foxwarren Pretender' was loaned to Brian for a season when she bred Champion 'Brian's Blue' and she was a half-sister to our champion racing and breeding hen, 'Foxwarren Complete', being a daughter of 'Pathfinder' who was bred by Brian Denney out of the wonderful racing and breeding hen, 'Blue Pau'. Champion 'Brian's Blue' proved to be a great breeder of winners, including: 'Blue Boy', winner of 12th, 130th open NFC Tarbes (748 miles).

2011: After Clive Turner's great success in 2011 when he won 1st open London & South East Classic Club Alençon (1,811 birds), he repeated his very high quality performances the following season, winning 1st Horsham RPC, 1st South Coast Federation, 1st Combine Saintes (374 miles), 1st, 2nd Horsham RPC, 1st, 3rd South Coast Federation (800 birds) Fougères (192 miles), plus many other premier prizes in the club and Federation. Clive won the Combine from Saintes with his good widowhood mealy pied cock, 'The Saintes Cock', and he was bred by Keith & Betty Mott of Claygate from two Busschaert / Staf Van Reet stock birds bred by Richard and Ken O'Connor of South Norwood. The Saintes Combine winner was latish bred in 2010 and had very little racing, but as well as winning the Combine he won several top positions inland in the strong Horsham club that season. His sire was the mealy pied stock cock, 'Young Roman', who was the sire of several good winners and is son of the champion Busschaert, 'Roman Nose', winner of four times 1st Federation, when mated to the Paul Arnold / Staf Van Reet hen, 'Dawn', winner of 1st Combine. The dam of 'The Saintes Cock' was a daughter of the O'Connor's 'Champion of Champions', 'Batman', winner of 17 first prizes, including five times 1st Federation and 4th open Combine. Champion 'Batman' was a

Busschaert and half-brother to Champion 'Roman Nose'. A fantastic family of winners! Clive's 3rd South Coast Federation Fougères winner in the 2012 season was also bred from Keith & Betty Mott blood line

2013: Keith and Betty's small team of Mark and Dick Evans / Gaby Vandenabeele stock birds have really been breeding fantastic and have produced some brilliant racers, including 1st open Combine and 2nd Three Borders Federation in 2013. The key pigeon has been the blue WF, 'Myrtle Exile' and she has produced premier winners with two of Keith's M. & D. Evans stock cocks. The partner's Gaby Vandenabeele stock birds were mostly bred by Mark & Dick Evans of Whitley Bridge and 'Myrtle Exile' is a granddaughter of the world famous Champion 'Golden Gaby', winner of 1st open National Orleans (12,875 birds). What a fantastic breeding hen! 'Myrtle Exile' produced, being paired to Keith and Betty's grandson of 'Pre-Olympic', a cock they gifted to their great mate, Terry Haley of Watford and he recorded as a young bird in the 2013 season: 14th Spelthorne open Yeovil (650 birds), flew the L&SECC Guernsey Young Bird Classic (a really bad race), was then clocked from the NFC Carentan (France) Young Bird National to record 415th open (3,330 birds) and seven days later was turned 205 miles North Road to Aycliffe to win 1st club (by 20 minutes), 1st Thames Valley Federation, 1st open North Thames NR Combine. The 2017 saw Terry Haley win 1st club, 1st Thames Valley, 1st North Thames NR Combine again from Aycliffe (205 miles) with his good blue hen young bird, 'Misty Missile' and she is a granddaughter of the 'Watford Wizard'. 'Myrtle Exile' and their grandson of the two 'Myrtle Lofts' legends, 'Shadow' and 'Lord of the Rings', 'Myrtle Supremacy' was their original pair of stock birds from Mark & Dick Evans and they have been mate together for most of the time Keith and Betty own them and they have proved to be a champion pair of breeders. 'White Tail', a daughter of 'Myrtle Supremacy' and 'Myrtle Exile' produced 2nd, 5th, 5th, 12th, 13th, 14th, 24th Federation in recent seasons for Colin Crook and Andy Iddenden. A fantastic Gaby Vandenabeele stock pair!

Fred Dickson of Cramlington sent four birds to the Bourges (581 miles) race in 2013 and with the race turning out to be a very hard push home, the birds clocked in the Combine on the day of liberation could be counted on the fingers of one hand. Fred lives at the top end of the NEHU and clocked his good Eric Cannon blue chequer cock, 'Northern Expected', at 06.03hrs next morning to record 1st club, 1st Federation, 1st New North Amalgamation and 8th North of England Homing Union open result (2,355 birds). This wonderful round about cock has flown Bourges (581 miles) three times and won 1st, 3rd and 4th Federation. A fantastic achievement! 'Northern Expected's' half-brother, a 100% Eric Cannon blue chequer cock, recorded 1st club, 1st Federation, 1st Amalgamation Bourges in the 2012 season and his dam, 'Foxwarren Northerner' was bred by Keith & Betty Mott. 'Northern Expected' is a son of Fred's champion 'Five Times Bourges Cock' which was killed by a Sparrowhawk in front of the Cramlington loft and was the winner of 3rd, 5th, 8th Federation Bourges and sire of 1st, 1st, 3rd, 4th, 4th Federation, 1st, 1st Amalgamation Bourges (581 miles). 'The Five Times Bourges Cock' was bred from 'Foxwarren Fred', a red chequer cock bred by Keith and Betty at Claygate and he has proved to be one of the best 550 mile stock cocks they have ever owned and was bred from the very best of Eric Cannon's wonderful long distance family. 'Foxwarren Fred' is the sire of many premier long distance champions including: 1st Federation Bourges (581 miles), 2nd Federation Bourges, 2nd Federation Bourges, 2nd Federation Bourges, 3rd Federation Bourges, 5th Federation Bourges, 8th Federation Bourges, plus 2nd Amalgamation Bourges and is grand sire of 1st, 1st, 3rd, 4th, 4th Federation, 1st, 1st Amalgamation Bourges (581 miles) in the 2012 and 2013 seasons. 'Foxwarren Fred' is the grand sire of 'Charlotte', the winner of 2nd open NIPA St. Malo National in the 2018 racing season and 'Our Lass', the winner of 16th open EDC St. Malo National (450 miles) in 2016. Later in the 2013 season Fred Dickson won with a yearling blue chequer cock bred by Keith and Betty, and he recorded 1st club, 2nd Federation, 12th New North Amalgamation Arras (377 miles) in a strong north east wind. This game cock was a son of the good Eric Cannon stock hen, 'Foxwarren Katie' when mated to a son of the Number 1 Brian Denney stock pair, 'Sasha's Boy' and 'Lady Tuff Nut'. 'Foxwarren Katie' is a granddaughter of the Eric Cannon champions: 'Culmer Marion' winner of 1st open NFC Sartilly and 'Culmer Channel Queen' the NFC Pau Merit Award winner. 'Sasha's Boy' is a full brother to 'Dark Charm' and 'Dark Dancer', with 'Lady Tuff Nut' being a daughter of the champion of all champions, 'Tuff Nut'. This Brian Denney stock pair have produced Federation winners and 'Sasha's Boy' is grandsire of 1st open International Agen (10,500 birds) in the 2015 racing season. There were several other good winners bred from Keith and Betty Mott's birds in the 2013 season including: Clive Turner who recorded 2nd open London & South East Classic Club Bergerac (450 miles) with a pigeon bred from K.& B. Mott birds.

2015: Bobby and Anthony Besant won 1st open International Agen (10,500 birds) in the 2015 season and they named their winner 'Noble Dream', and their wonderful champion is a two year dark cock, raced on the widowhood system. Bobby remarked at the time that he thought it was a decent time when he came in from Agen and 'Noble Dream' did his usual party trick of landing in next doors tree before coming in to the loft to be clocked. He had won several premier positions before his Agen (499 miles) International win, including

3rd Three Borders Federation, 4th SMT Combine (699 birds) Nort sur Erdre (278 miles) as a yearling in the 2014 season. The dam of Champion 'Noble Dream' was the dark pied hen, 'Half Crown' and she was bred by Keith and Betty Mott of Claygate. She was one of three sisters that the Motts gifted to Bobby and Anthony in 2009 and Keith donated a full brother to the BHW Blackpool Show Charity auction in 2010, which raised for £740 for charity. 'Half Crown' was also the grand dam of Bob and Anthony's second bird clocked on the day from the Agen International and she was crossed out with Mat Rakes and Geoff Cooper pigeons to produce this game dark cock. The sire of 'Half Crown' was the champion stock cock, 'Sasha's Boy' and he was bred by Brian Denney. He was bred for the stock loft from Brian's champion stock pair, 'Maxi' and 'Dark Jan' and is a full brother to the champion racing cocks, 'Dark Charm', 'Dark Dancer' and half-brother to 'The Chequer Cock'. 'Sasha's Boy' had proved to be outstanding at stock and had bred several top 550 mile racers, including Federation winners!

The dam of 'Half Crown' was Keith's champion hen, 'Foxwarren Complete', who was a great 550 mile racer and has now proved to be a champion breeder. 'Foxwarren Complete' was the winner of 2003: 32nd open L&SECC Dax (530 miles), 2nd East Grinstead CC Dax, 2004: 29th open L&SECC San Sebastian (560 miles), 2005: 116th open L&SECC Pau (552 miles), 2007: 109th open L&SECC Pau. A real class hen! Her sire was 'The Cannon Cock' bred by Eric Cannon and this cock was the original pigeon Eric bred for Keith on his restart in 1998 and was a grandson of 'Culmer White Flight' and Champion 'Culmer Sam'. The dam of 'Foxwarren Complete' was the brilliant blue cheque stock hen, 'Pathfinder', bred by Brian Denney and her dam was Champion 'Blue Pau' winner of 41st, 201st open NFC Pau (738 miles) and dam of many premier long distance racers including Champion 'Classic Lad' winner of 1st open Northern Classic Saintes (573 miles on the day of liberation). 'Pathfinder' was lightly raced before being put to stock and in 2001 flew 900 miles in three weeks to record 91st open L&SECC Perth, 52nd open L&SECC Thurso (520 miles). 'Pathfinder' was a champion breeder, producing many premier 550 mile racers, including 'Foxwarren Complete' and 'Foxwarren Pretender' dam of Champion 'Brian's Blue', the winner for Brian Denney of : 2008: 1st section K, 61st open NFC Tarbes, being clocked on the day of liberation flying 748 miles, 1st RPRA UK Long Distance Champion 2008. 'Foxwarren Complete' proved to be a 'gold mine' stock hen breeding many top 550 mile racers, as well as Bob and Anthony Besant's champion stock hen, 'Half Crown', dam of Champion 'Noble Dream'. 'Foxwarren Complete' is also the dam of the fantastic stock hen, 'Foxwarren Northern Complete', dam of many premier 550 mile racers including: 2nd Federation Bourges (581 miles), 3rd Federation Bourges, 4th Federation Bourges, 5th Federation Bourges, 8th Federation and is grand dam of 1st, 1st, 3rd, 4th, 4th Federation, 1st, 1st Amalgamation, 8th open NEHU (2,355 birds) Bourges (581 miles) in recent seasons. She is the dam of Fred Dickson's champion cock, 'The Five Times Bourges Cock'. 'Foxwarren Complete' is the grand dam of Ronnie & Jim Young's champion racing and breeding cock, 'The Wee Cock'. This wonderful cock is responsible for many National prize winners, including being the sire of: 'Jack's Legacy' winner of 2017: 1st open EDC St. Malo National and grand sire of 'Shallas Lass' winner of 2018: 1st open EDC St. Malo National and 'Our Lass' winner of 2016: 16th open EDC St. Malo National. The fantastic 'Foxwarren Complete'!

2016: The 2016 was another very successful season for our pigeons, with several premier winners being reported to us. Ronnie & Jim Young of Northern Ireland have had good success racing our birds since 2004 and they have had the very best of the Eric Cannon and Brian Denney bloodlines. The 2016 season saw their excellent blue hen, 'Bonnie Lass' record 2nd open St. Malo National, with only 17 birds home in race time and she was bred from a Eric Cannon stock bird from 'Foxwarren Lofts'. The partners also recorded 16th open National in the same race from St. Malo, with their blue chequer hen, 'Our Lass' and she was also mainly our Eric Cannon and Brian Denney bloodlines. The next two seasons saw Ronnie and Jim win 1st open National twice. The 2017 St. Malo National winner, with only two birds' home in race time was, 'Jack's Legacy' and he also contained our Eric Cannon and Brian Denney bloodlines. The partner's 2018 St. Malo National winner, with only eight birds' home in race time, was 'Shallas Lass' and she is a granddaughter of 'Bonny Lass' the 2nd open St. Malo National winner of 2016. The partners two original stock cocks they obtained from us in 2004 were '48' and '52' and both figure in the breeding of all they premier national pigeons, when crossed with the Jack Anderson pigeons. The champion breeder, 'The Wee Cock' was a son of 'The 48 Cock' and he was a son of 'Foxwarren Complete' when mated to 'Foxwarren Black Splash', who was a grandson of 'Culmer Gold' and 'Culmer Sam'. 'The 52 Cock' was a son of my champion Number 2 Eric Cannon stock pair, 'Culmer Prince' and 'Culmer Rocket Queen'. Another great hen of world class quality was the Eric Cannon blue hen, 'Foxwarren Northerner' and I bred her for Fred Dickson in 2005, with her dam being 'Foxwarren Express', winner of 23rd open London & South East Classic Club San Sebastian (560 miles) and BOS at the Esher Open Show, being beaten by a loft mate. She bred several top 560 mile racers at Fred's loft in Northumberland, including 1st Amalgamation Bourges (580 miles) and when Fred retired from the sport 'Foxwarren Northerner' came back to my loft in Claygate. Ronnie and Jim were look-

ing for a good hen, so I sent her out to them in Northern Ireland and she is the grand dam of 'Bonny Lass', winner of 2nd open EDC St. Malo National and great grand dam of 'Shallas Lass', winner of 1st open EDC St. Malo National. What a stock hen! Another top breeding hen for the Young loft was a daughter of 'Foxwarren Fred' and 'Lady Tuff Nut' and she was the dam of 'Our Lass', the winner of 16th open EDC St. Malo National (450 miles) in 2016. Congratulation to Ronnie and Jim on their brilliant achievements!

2017: Terry Haley hit the 'jackpot' again in the 2017 racing season and finished it off in a very special fashion, when he recorded 1st Combine twice in seven days. Just brilliant! The Aycliffe young bird win, Terry's fifth Combine winner, was a great buzz for me personally, as the winning blue hen, now named 'Misty Missile', was a granddaughter of 'The Watford Wizard', the Gaby Vandenabeele cock we bred for Terry. 'Misty Missile' and 'The Watford Wizard' both won 1st Watford NR Club, 1st Thames Valley Federation, 1st North Thames NR Combine Aycliffe as young birds. Amazing! We had several other good winners reported in the 2017 season, including 2nd open National. Mick Parish's first pigeon on the clock from the very hard Barcelona race was an Eric Cannon pigeon and grandson of 'Foxwarren Ryan' and 'Foxwarren Katie'.

2018: The NIPA in Northern Ireland held its annual St. Malo (450 miles) National on the same weekend as the NFC Tarbes Grand National in the 2018 season and as everyone knows it turned out to be one the hardest weekends of the year for pigeon racing. Members of the NIPA sent 1,841 birds and only seven game pigeons were clocked in on the day of liberation. I think is fair to say that racing pigeons out of France into Northern Ireland is one of the hardest routs in the UK and to get these seven pigeon home on the Friday was a fantastic achievement! I got a phone call from David Coulter of Maghaberry in Northern Ireland on the Sunday to tell me the good news that he clocked on the day from the St. Malo National to win 2nd open and the blue chequer hen was bred from two stock birds bred at the Keith & Betty Mott's loft in Claygate. I really enjoy those phone calls and Betty and I would like to thank David for taking the trouble to let us know. When I asked the delighted David about the St. Malo National, he told me, 'the blue chequer hen is now named, 'Charlotte', after our second granddaughter and she was bred from 'Foxwarren Contraband', a daughter of Champion 'Foxwarren Fred' and 'Lady Tuff Nut' when mated to, 'Young Expected', a son of the 'Bourges Pair', 'Northern Expected' and 'Northern Star'. 'Charlotte' was not raced as a young bird, but was lightly trained. In the 2017 season as a yearling she had three inland races and a Talbenny (195 miles), plus a Penzance 305 (miles). In 2018 'Charlotte' had three inland races, one Talbenny race, where she won 1st club doing 1422yph velocity. She was then being set up for the Bude race two weeks after, but the NIPA cancelled and had an inland race due to weather conditions. After the birds are on the channel I don't like bringing them back into Ireland, so her next race was the St. Malo National and in between she was flown at home one hour morning and night, seven days a week, not missing a day. She was sent to the St. Malo National (450 miles) sitting 14 day old eggs and after her near 13 hour fly, was clocked on the day of liberation looking as 'fit as a butchers dog'. My wife, Siobhan, and my granddaughter, Olivia, are both very interested in the pigeons and like to spend time with the birds. It was such a hard race and my family and I are highly delighted with the result'.

In the week after David Coulter's phone call I had three more fanciers phone me, telling me about more winning pigeons bred from Keith & Betty Mott stock birds. They say, when it rains, it pours! Two of our best friends, Steve and Tessa Howard of Guildford recently won 2nd and 33rd open BICC Poitiers and the sire of 'Gee Force', their 33rd open winner was bred by us. The cock was another son of the 'Bourges Pair', 'Northern Expected' and 'Northern Star'. The premier fancier, Dave Johnson of St Austell in Cornwall recently won 12th open BICC Cholet (292 miles) and the dam of that game pigeon was bred by us in Claygate. She was bred around the champion breeder, 'Foxwarren Fred'. Terry Haley of Watford has been one of our closest friends since the early 1970's and he always has a couple of youngsters off us every year, with one the 'Watford Wizard', going on to win 1st Combine Aycliffe. Terry had a youngster, '04367', off 'Foxwarren Renegade' and 'Thelma' in the 2017 season, which has gone on and proved quite handy. 'Foxwarren Renegade' is yet another son of the 'Bourges Pair' and 'Thelma' was bred by Brian Denney and is a daughter of Champion 'Brian's Blue', the NCF record holder, being clocked at 748 miles from Tarbes on the day of liberation. As a young bird '04367' flew some very hard channel races and was then turned 290 mile north road to Berwick and returned home in a very strong south wind. In the 2018 season, as a yearling, she had five hard channel races and was in the clock five times, to record: 2nd club, 5th Inter Counties Federation (899 birds), 9th UBI Combine (1,263 birds) Carentan and was first bird on the clock from the longest old bird race, to with 15th Inter Counties Federation Poitiers. Terry had another youngster off 'Foxwarren Renegade' and 'Thelma' in 2018 and this time it was the blue chequer cock, '17845'. Terry sent four babies to the hard BBC Fougères (235 miles) young bird National and clocked two in good time to record: 7th and 60th open. '17845' was second bird on the ETS to win 60th open National. The 2018 season has

seen our stock breed 2nd, 12th, 33rd, 60th open National, 9th open Combine and 15th Federation in the longest old bird race. Well done to all those fanciers!

Eric & Pat Cannon of Godalming.

Eric Cannon passed away in July 2000 and I was asked by his wife and pigeon partner, Pat, to arrange his three dispersal sales, which were held in Nottingham, Sutton and Paulton in the autumn of that year. When Eric passed away the sport of pigeon racing lost the 'King' of the Pau National and one of its greatest champions! We were close friends for many years and through that friendship, Eric gifted me young birds direct off his very best 550 mile family. We had children direct off 'Culmer Gold', 'Culmer Bess', 'Culmer Channel Queen', 'Culmer White Flight' and Eric's 1st NFC winner, 'Culmer Marion', and these are the base of our Eric Cannon 550 mile family today. The Cannon loft won countless positions in the N.F.C. through the years, but the highlights have been: 5 times winner of the Langstone Gold Cup, for best average of three N.F.C. races, 16 times 1st section in N.F.C. races, 1st open Sartilly, 2nd open Pau, 4th open Pau, 5th open Sartilly, 5th open Avranches, 6th open Pau (twice), 8th open Sartilly and so on. Eric and Pat had 74 positions in the first 100 open positions in Pau Grand Nationals and lifted the 3 bird Average from the Pau National six times. Eric Cannon was a good friend and one of the best pigeon fanciers I've ever met!

Brian and Thelma Denny of Strensall.

We are very proud of our wonderful family of Brian's champion 750 mile pigeons here at Claygate and through our many years of friendship, Brian and I, have exchanged youngsters most seasons. He has been very good to us, giving youngsters off some of his best champions, including: 'Blue Pau', 'Tuff Nut', 'Dark Charm', 'Brian's Blue', 'Maxi' and 'Dark Jan'. 'Foxwarren Lofts' has had outstanding success racing Brian's 'Bri-Den' 750 miles family, with our best racer being 'Foxwarren Complete', a granddaughter of Champion 'Blue Pau' and winner of 32nd open L&SECC Dax, 2nd East Grinstead CC Dax, 29th open L&SECC San Sebastian, 116th open L&SECC Pau and 109th open L&SECC Pau. A wonderful hen! At the start of the 2018 season we have several direct children off Brian's champions in our stock team and a good percentage of our long distance race team are grandchildren of 'Tuff Nut', 'Dark Charm', 'Blue Pau', 'Maxi' and 'Dark Jan', with many of them mated together. Brian and Thelma are two of the nicest people in the sport and their long distance loft of pigeons is one of the best in Europe today!

IN CONCLUSION.

Although our stock team has an excellent record of producing premier winners for many fancier in the UK, we have changed a few of our pairings around for the 2019 season, just to try some new ideas. We will have a half-brother / half-sister matings out of our champion Eric Cannon red cock, 'Foxwarren Fred', and a 'star' mating in the 2019 season will be the re-union of the 'Bourges Pair', with the Bourges Amalgamation winner, 'Northern Expected', being paired to 'Northern Star'. Both these champion racers were clocked on the day of liberation from Bourges (581 miles) and were grandparents of 2nd open NIPA St. Malo National in 2018. The champion stock hen, 'Lady Tuff Nut' and daughter of Champion 'Tuff Nut', will be mated to the brilliant breeder 'Foxwarren Barcelona Boy' in 2019. 'Barcelona Boy' is the premier Brian Denney stock cock, being the sire of several top racers to score high up in the National and International results from

Barcelona and Perpignan. He is a full brother to the champion stock hen, 'Half Crown', dam of Champion 'Noble Dream', winner of 1st open International Agen (10,510 birds) in the 2015 season. The 2016 season saw three new children of Champion 'Foxwarren Fred' put in the stock section and two new direct introductions from our good friend Brian Denney, in the form of 'Strensall Lad' and 'Thelma'. These two new blue stock birds from Brian are children of Champion 'Brian's Blue', winner in 2008 of 1st section K, 61st open NFC Tarbes Grand National (4,035 birds), NFC record holder being clocked at 748 miles on the day of liberation. This wonderful champion also won: 1st North East 700 Mile Club, 1st RPRA UK Long Distance Champion, plus RPRA Region Long Distance Award. A fantastic performance! The dam of these two new stock birds was a daughter of Champion 'Dark Dancer'. The very best of the Eric Cannon and Brian Denney's 750 mile family! Stock bird photographs can be viewed in the 'ALBUM'.
